## COMPLETING YOUR ENTRY

Please be sure that you are familiar with all NADAC rules related to jump height. If your dog is 7 or older, the dog may be entered as a veteran dog in traditional classes (with jumps) but must jump 4" less than standard jump height. If you enter your dog in Skilled rather than Proficient, you may elect to take the 4" reduction in jump height and you can also earn 5 point Q's in Regular classes. In the Skilled category, 20 and 20+ dogs are scored together according to current NADAC rules. Veteran or disabled handlers should indicate this information on the form and will be required to provide proof of qualification at check in. All entries must be on the form attached to this premium to be considered valid for this trial.

### **CLUB POLICIES**

- All dogs must be on leash when not competing in the ring.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- **Checks not honored by the bank do not constitute a valid entry fee. There will be a \$25 service charge for bank returned checks.**
- Running order is determined by the trial secretary. Handlers with more than one dog in a class will be separated as much as possible.
- All dogs for a given class should be present at ring-side at least one-half hour prior to the start of the scheduled classes for walk through and briefing. Any dog and handler not present when they are called will be ineligible to run.
- No alcoholic beverages are allowed on the show site.
- Safety is our utmost concern. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee shall be asked to leave the show site.
- Any owner, handler, or spectator exhibiting poor sportsmanship or abuse towards a dog or person will be required to leave the show site for the duration of the trial.
- There will be no refunds for entries in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal.
- A withdrawal from the competition after the closing date due to an injury and/or illness and/or a bitch coming into season after the closing date will be eligible for a refund up to 75% of the total entry fee paid. A veterinarian's notice of injury or illness will be required for a refund.
- Flat ribbons will be awarded to first through fourth places in all jump heights in all classes and for those achieving a qualifying score. No placement ribbons will be awarded in Chances. It is a pass/fail class.

### **PLEASE VOLUNTEER!**

**Without your help we cannot put on trials! Club bucks will be awarded! Please complete the volunteer form at the base of the Entry Form and Agreement.**

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC no longer hand checks for discrepancies the records we send them at the end of the trial. Instead, they post the trial results to the files section of the [NADACAgility@yahoo.com](mailto:NADACAgility@yahoo.com) list within two weeks after receiving them from us. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the NADAC Agility list and set your settings to "no mail". You'll be able to view trial results and find discrepancies (if any) without receiving list mail. Contact NADAC **only** if your registration number or qualifying results are shown incorrectly on the list. Otherwise, you do not need to do anything.

**Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will no longer be banked by NADAC for future use. As of June 1, 2006 if a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
